Python

# Manish Nikam

## Frontend Developer

## Professional Summary

Talented and dedicated front-end developer intern adept in HTML, CSS, and JavaScript. Proficient in Python and Git with a foundation in Basic DSA. Skilled in crafting intuitive user interfaces, leveraging DOM manipulation. Eager to contribute innovative solutions and learn from experienced teams.

## Projects

### LeadiQ website clone

[Live Demo](#)  
[Link](#)

[Github Repo](#)  
[Link](#)

- - Developed a responsive and user-friendly web interface by collaborating with UX/UI designers.
- - Implemented efficient, reusable, and scalable code using HTML5, CSS3, and JavaScript.
- - Ensured the technical feasibility of UI/UX designs and optimized the application for maximum speed and scalability.
- - Stayed updated on emerging trends and technologies in frontend development.
- - Integrated frontend components seamlessly with backend developers.

### Timer [Github Repo Link](#)

- Developed a countdown timer web application using HTML5, CSS3, and JavaScript.
- Implemented responsive design principles to ensure the timer is visually appealing and functional on different screen sizes.
- Utilized RESTful APIs to handle asynchronous requests for starting, pausing, and resetting the timer.
- Optimized the application for maximum speed and scalability by minimizing unnecessary HTTP requests and optimizing code.
- Collaborated with UX/UI designers to incorporate their feedback and ensure a user-friendly interface.

# Experience

**Codsoft** | Internship

December 2023-January 2024

- Focuses on the client-side or user-facing part of the website or application. They work on the layout, design, and interactivity of the website using HTML, CSS, JavaScript, and various libraries/frameworks (like React, Angular, Vue.js, etc.).

**Chegg India** | Chegg Expert Live Q&A

Nov 2023 - Present: Work

- When listing Chegg work experience on your resume, it's essential to highlight your areas of responsibility and the skills you developed during your time there. Here's how you might structure this section:
- 
- Provide a brief overview of your responsibilities and accomplishments. For example:
- 
- Tutored students in [specific subjects or areas].
- Assisted students with [specific types of assignments or problems].
- Provided guidance and support in [specific areas of expertise].
